ROYAL STAFF RECREATION CLUB

Royal staff recreation club is an association for RCET employees to promote social interaction and to cater their recreational needs. Both teaching and non-teaching staffs are the members of this club. The main motto is "Unity is strength, when there is teamwork and collaboration, wonderful things can be achieved". The chairman of this organization is CEO of RCET and the president is college principal. The royal staff club members also support the management and academic activities to elevate the pride of the college. The two organization levels are executive committee and general body.
